Attorney Docket No. 95121961-207001

ASSIGNMENT

WHEREAS, we, Jianmin Chen, Michael G. Robinson, and Gary D. Sharp residing at the address with our citizenship as stated below next to our names (hereinafter referred to as "Assignors"), have invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, the application having been designated as set forth below and filed on or about the date set forth below; and

WHEREAS, we represent and warrant that we are the joint inventors of said invention and application for Letters Patent; and

WHEREAS, ColorLink, Inc., a Delaware Corporation, (hereinafter referred to as "Assignee"), with an address of 2477 55th Street, Suite 150, Boulder, CO 80301, desires to acquire the entire right, title and interest in and to the invention, and in and to the application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have assigned, sold, transferred and set over and by these presents do assign, sell transfer and set over unto said ASSIGNEE the entire right, title and interest in and to (a) said invention and worldwide rights therein; (b) said application, including, but not limited to, all divisions, continuations, continuations-in-part and substitutions thereof; and (c) all United States and foreign patents which shall issue on said invention, including, but not limited to, all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said invention in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the United States of America is signatory including, but not limited to, the Paris Convention for the Protection of Industrial Property for such corresponding applications, or any division, continuation, continuations-in-part or substitution thereof, the same to be held and enjoyed by

said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by us, had this assignment not been made.

We covenant and agree that we will, at any time upon the request and at the expense of said ASSIGNEE, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said ASSIGNEE, to enable and assist said ASSIGNEE to (a) obtain Letters Patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in said ASSIGNEE, its successors and assigns, to said invention, application and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

We represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent application has been or will be made or entered into which would conflict with this assignment and sale.

We hereby authorize and request the Director of Patents and Trademarks of the United States to issue all Letters Patent based on said application and each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its successors and assigns.
